The parade will again end at the main gate of Columbia Academy, located on West 7th Street, just past the railroad tracks. This will provide better viewing for more people and will help with the traffic congestion downtown, during and after the parade. All non-animal type floats, autos, trucks and people walking in the parade will enter the Columbia Academy School grounds for pick-up or disband, etc. All mule teams with wagons, mule and horse riders, etc., will stay on West 7th Street on the way to Maury County Park as in the past. **No animals will be allowed to enter the Columbia Academy property.** The Mule Day Committee would like to thank the officials of Columbia Academy and the City of Columbia for helping with the parade route.
